

“Share your faith every day as a way of life!”

***How The Lord Used Us in DECEMBER, 2020***

Merry Christmas!

As this crazy year comes to an end, we are grateful to have completed one “Virtual” event and on shortened “Live” event in December. After the mini-Live Event last Sunday, I received this email from a Mom who attended with her family:

*"After church yesterday, my daughter Chloe spent the afternoon with a good friend. She has been wanting to share the gospel with this friend for a long time. Maybe a year. She just didn't know how. When I picked her up at 6 last night, she was all excited because she finally had a conversation with her friend and shared about Jesus. She had prayed for an opportunity and she has been watching Ray Comfort videos for several weeks. Your message yesterday and all the specifics gave her the confidence she finally needed to have a conversation with her friend. Chloe literally took everything you said yesterday and put it into practice a few hours later. She said they had a very long conversation and Chloe got to share a lot with her. It is just the beginning. We are praying for her friend. I cannot explain how much yesterday meant to us. We are so thankful for your message. Praise God for using you.*

*Then later last evening, I texted the friend's mom. We texted about how glad we are that our daughters have a great friendship. I told her I would love to get together with her too- and she and I made plans to meet up and walk our dogs together this week. I am praying for an opportunity to share with her as well. Please pray for Chloe's friend Talia, and for Talia's mom, Barbara. They do not go to church and have very little knowledge of Jesus or the Bible.*

*I have always felt strongly about encouraging other believers. You probably only ever hear a fraction of stories of how God used your work to change lives. I just wanted to make sure you heard our story. Keep on doing what you are doing!"*

**YOUR prayers and financial support allow us to “keep on doing what you are doing” for the Kingdom. Thank you for investing your prayer time and financial support to keep us going during this difficult year!**

For your encouragement, I will be sending a separate email message with some of my favorite testimonies from the people I trained this year.

Last year, we were blessed to have completed 55 Live Events. This year we did 13. We began doing “Virtual” Events this year and were able to complete 9 of these. In all, we equipped 1,208 people this year and are excited to be have been used of the Lord to see 25 souls added to His Kingdom! We also completed one Walk thru the Bible Old Testament seminar this year.

We continued to share the Gospel one on one and we served the Lord at Daytona Bike Week, The Rock Racing National Championship, and on the trails with our off-road ministry.

We want to say “THANK YOU” to those who have been financially supporting us during this difficult time. Cathy and I cannot express how you have blessed us by sacrificially giving to keep us afloat during these lean months. May God richly bless you for this and please know how grateful we are!
