

“Share your faith every day as a way of life!”

2021 YEAR END SUMMARY

Merry Christmas!!!

We finished out 2021 with one M.A.D. Live Event in NC and were blessed to see 2 ladies give their lives to Jesus Christ at this event! Glory to God! To summarize our year of ministry, we were blessed to have completed 29 M.A.D. Live and Virtual Events, equipping 983 people. God was also pleased to use our events to save an additional 14 people this year. In all, we have completed 684 events equipping people in 36 states! PTL!! Below is an email that I received from a lady who attended the December event:

“Dear Don, Thank you so much for your wonderful presentation. The information I learned is life changing for me. I look forward to reading and begin sharing the news of salvation. It still frightens me that so many people do not believe or truly have the wrong information. My aunt and uncle are both ordained priests in the Catholic Church. They are probably the most religious people in my family. Please pray for them and my children. I have so much work to do and have missed several opportunities already. I do not hide my Faith but have never led anyone to Jesus before. I planted the seed with my best friend last summer who is Catholic. I can't tell you how many opportunities I have missed to share with people. I am going to order the literature because I know the opportunities are there every day. Please pray for me. I feel I can make a huge difference and feel the Holy Spirit guiding me. If I can only get over my fears of failure, rejection, and lack of knowledge. Your class taught me it's okay to take the chance and try. The Holy Spirit will speak through me. Thank you, Brother Don. Until we meet again.”

In addition, I filled the pulpit in churches 3 times and another 4 people were saved during the services. I also shared a message with a church in NJ using Zoom, spoke at an adult Sunday School Class, and shared the Gospel at our church's Food Pantry Outreach.

We also completed another successful Ultimate Adventure trip to Utah with 11 people attending, and I had a banner year at Daytona Bike Week, where I was blessed to share the Gospel with 61 people in 5 days and over 50 of these people allowed me to lay hands on them and pray for them. In addition, shared the Gospel one-on-one with God's daily Divine appointments that He had for me, as well as a huge number of police officers. We did 11 days of off-road ministry sharing Christ with the people we met on the trails and in the campgrounds.

FINANCIAL SUPPORT UPDATE

Our regular monthly support is at about 61%. We have 111 regular monthly supporters and the Lord uses the love offerings that we get at our Live Events to make up the 39% shortfall. As we have had some lean months due to the pandemic, God has raised up other brothers and sisters who have unexpectedly sent us funds to keep us going. We praise God for these people and for the Lord's provision. What a blessing it is to know that God is not through with us yet! He has

more for us to do! If the Lord lays it on your heart to begin supporting us on a regular basis (large or small), we'd be blessed! Please contact us with options if you're interested.

SCHEDULE FOR JANUARY - MARCH

Whenever you see only one event in a weekend, please understand that I would like to fill the other weekend day at a church within driving distance. Any help you can provide to help us fill a date within driving distance of the location on the calendar would be a blessing! Thank you!

PLEASE PRAY WITH US

- SCHEDULE - This is a regular request each month. Our ministry only continues by word of mouth. It seems that churches are not interested in what we teach. Church bookings continue to be our greatest need.
- Pray that God will use my book to open new doors of ministry. Everywhere I go, people tell me that no one is teaching what I am teaching. But it is still the best kept secret! Pray boldly with me....I have been praying that someone at Focus on the Family would read my book, recognize the uniqueness of what I teach and do an interview with me. That exposure would fill our schedule for sure! We don't have because we don't ask!
- For continued good health and travel mercies.

As we watch our world spiral out of control, we wish you and your family a Happy, Blessed Christmas, filled with peace, love, and hope for the soon return of our Lord and Savior Jesus Christ!

Love in Christ,

Cathy and Don
