

“Share your faith every day as a way of life!”

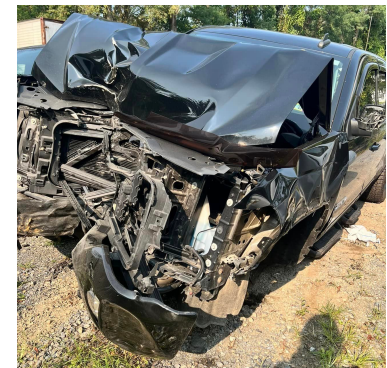

## ***How the Lord Used Us in September, 2022***

Brothers and Sisters,

God blessed us with 3 M.A.D. Live Events in September, equipping over 200 people to begin sharing their faith in Christ as a lifestyle. Two of the events were in Rock Hill, SC, and the other in Towanda, PA. I also had the opportunity to speak at the Sunday service in Towanda. It was amazing how the Lord used these events in people’s lives, as evidenced by the testimonies I received after each of these presentations. Also, we hit another milestone in September, having now equipped over 39,000 people in 36 states! Glory to God!!

On a personal note, on September 15th we received a very early morning urgent call from our daughter, Jaimie. Her husband, Mike, left for work at 4:30 AM on his motorcycle and was hit head-on by a full-size Chevy Silverado pickup truck just about a mile from their home. The man driving the truck thinks he fell asleep, crossed over the center turn lane and into the opposing traffic lane, hitting my son-in-law. The truck then struck a tree. A witness said Mike had nowhere to go. After the collision, Mike was thrown about 150 feet, hitting a stone wall during his flight. The highway peg in the picture was where his left foot was when he was struck. It now sits on top of the gas tank. He had massive internal injuries including a shattered left femur, broken pelvis in multiple places, a broken, hip, broken ribs, a collapsed lung, serious intestinal damage due to a hernia mesh that tore his intestines and colon apart, and some chipped vertebrae. He had emergency surgery that morning and two more surgeries the next day. By God’s grace and mercy, his life was spared. Praise God for social media because we were able to get the word out and literally thousands of people began praying for his survival and recovery. Thus far, his recovery has been nothing short of miraculous. Praise God!!! Mike and Jaimie have a long road ahead. It will be a long time before he may be able to work and return to a normal life. But Mike is strong and determined, and with God’s continued help, we are praying for great things. They have a grown daughter who lives on her own, two students in college, and one in 8th grade. Mike was working as a contract employee, so he has no disability insurance. Since the accident, they have no income other than what they have received from the generosity of God’s people donating to their cause. If the Lord lays it on your heart to help them financially, you may send a check made out to **Jaimie Angstadt and mail it to 543 Woodrow Court, Wernersville, PA. 19565**

Thank you to all who have been praying! Here’s proof that God heard our prayers and answered them!

From Jaimie:

- *Two weeks ago, I was told that he would be on a breathing tube for 7-10 days. It was taken out in 2 days.*
- *Two weeks ago, I was told that he would be in Surgical ICU for 14+ days. He was moved in 10 days.*
- *Sunday I was told he would be in the Trauma Ward for maybe 2 weeks. He was moved in 3 days.*
- *Today, 14 days after this horrific accident, Mike was moved to a rehab facility.*
- *Yes, doctors do their thing and are highly skilled and save lives. But to be where we are at this point in time? It's only God. Glory to God!*

Updates will be available on our ministry Facebook page. PLEASE pray for Mike, Jaimie and their family. They need your prayers long term. Thank you!!

### **PLEASE PRAY WITH US**

- Please pray for Mike and Jaimie – for complete healing, and for God to meet their financial needs.
- Cathy continues to struggle with a change in her ability to taste and smell. She can't stand to cook as the smell of her delicious meals turns her stomach. Most of the foods she has always enjoyed taste bad to her. She is very unhappy not being able to enjoy eating and smelling food being cooked. Thanks!
- Please continue to pray for an interview with Focus on the Family!
- For continued good health and travel mercies.
- God has graciously answered our prayers and gave us a VERY busy October. We praise Him for this. Please pray for a full schedule going forward

Love in Christ,

*Cathy and Don*
