

“Share your faith every day as a way of life!”

January 2023 Monthly Report

Happy New Year!

This could be the year that our Lord and Savior comes back for His bride! Are you ready?

We had a good start to the New Year, completing a total of four M.A.D. Live Events. Two were in PA, and two were in partnership with Billy Graham’s radio network, “The Light FM”. One was in Hendersonville, NC and one was in Blountville, TN. We are **SO BLESSED** to have them as a ministry partner. When we do events with them, we have the opportunity to equip hundreds of their listeners to begin sharing their faith in Christ every day as a lifestyle. We equipped 444 people this month and were blessed to see the Lord save 6 people! Glory to God! A lady being treated with chemo for cancer attended the event I did in NC. She said she skipped her cancer treatment to attend the training as it was more important than getting the treatment. She wanted to be equipped to share her faith in Christ with as many people as she could with whatever time she had left on planet earth. Wow! How sad it is that so many healthy people don’t see the importance of coming to be equipped to be in obedience to God and telling others about Jesus! I was also approached by 2 retired commercial pilots and told that they have a flying ministry and would fly me wherever I need to go to minister for free! This could come in handy in some situations. We’ll see!

Some

testimonies that I received this month:

“Good Morning Don, I attended yesterday’s M.A.D. Seminar yesterday in Hendersonville, NC. First off I hope you and Kathy made it home safely; however, I also wanted to thank you very, very much for your outstanding presentation and the powerful videos that you shared yesterday. I have known for a while how to share my faith, but have struggled of late (really since the beginning of the Pandemic) to know how to get the conversation started and your seminar was exactly what I have been praying for to show me how to do just that. Matter of factly, I was actually able to plant a seed yesterday on my way home. I stopped to get gas and I asked the guy working the cashier if “I could share with him something that changed my life?” I then gave him one of the “Steps of Peace with God” Tracts that I purchased yesterday and then I asked him “If he died and God asked why he should let him into heaven what would he say? He stumbled a little bit in his answer but eventually he stated he had made a profession of

faith back in 2013 we talked some more and appeared to be sincere. I didn't pursue it further that but I did leave him two copies of the tract, one for himself and one to give to someone else. Before yesterday I wouldn't have even really known how to do at least that so again thank you!"
May God Continue to Bless You this Lifestyle Changing Ministry!"

"Hey Don, I hope your day has been blessed and continues to be blessed! I wanted to follow up with you and let you know that I was able to witness to another co-worker on Friday! The co-worker accepted a gospel tract. I plan to continue to witness to others and I just wanted to thank you again for your training, it was very impactful and it has proven super helpful while being obedient to the Spirit."

"This may be one of the most important days since my baptism 39 years ago!"
