How The Lord Used Us in May 2019

“We are unworthy servants who have simply done our duty.”
Luke 17:10

Greetings Brothers and Sisters!

Our schedule slowed down quite a bit in May, but our summer is looking better than last year when we went 13 weeks with only one M.A.D. Live event. We completed 2 M.A.D. Live Events in May. The first one was in Virginia Beach in partnership with “The Journey FM”, Liberty University’s radio station. We are so blessed to have partnered with them to help equip their listeners. This was our 4th event with them, with the 3 previous ones having been held in Lynchburg, Roanoke, and Midlothian, VA. In these 2 events, besides equipping 105 people, we were blessed to see 7 more people give their lives to Christ! Praise the Lord!!!!

Some feedback that “The Journey FM” received from a lady who attended the event I did in partnership with them:

“Dear Kenny, Thank you for advertising for Don Sunshine's MAD training. I've heard you promote his event in central VA over the past year/ few months and so desperately wanted to go, but was limited due to distance. When I heard he was coming to VAB (still a little over an hour from where I listen to the Journey in northeast NC) I signed right up.

He was a wonderful man sharing an incredible truth in an engaging way. I was reminded of the essence of the gospel, fellowshipped with other believers, and spent the day smiling, crying, laughing and thinking. I highly recommend this training to any Jesus follower, and would like to encourage you and the team at the Journey to continue to partner with Don Sunshine and advertise on his behalf.”

On a personal note, we had a wonderful time when our son, John, wife Jill, and their 3 children came to visit us over Memorial Day Weeknd. This was their first “long weekend” with us since we moved to TN. We had a great time with them and we look forward to the next time!
