

“Share your faith every day as a way of life!”

## **March 2024 - Monthly Report**

Greetings in the Matchless Name of Jesus!

This month I was in Michigan presenting two seminars at their 2<sup>nd</sup> annual Iron Sharpens Iron men’s conference. We also completed 3 M.A.D. Live Events, two of which were held in NC and one was in nearby Jonesborough, TN.

We were blessed to have heard of one salvation this month that happened a while ago. I was at a Methodist church in NC seven years ago for M.A.D. Live Event # 499, and the people who brought me in told me that their Pastor is unsaved. After setting up the night before, the folks there asked if we could pray that the Pastor would be saved at the event the next day. Many tears were shed for this man during the prayer time. Today, one of the couples who had requested prayer for this Pastor at this other church were at the event today and informed me that their former pastor did actually give his life to Christ at the event the next day! What an answer to prayer! Glory to God! They also described how his preaching and teaching changed as a result of his conversion! We also saw the Lord save one more person at one of our M.A.D. Live Events.

Here's a testimony I received this month: *“Thank you again for what you’re doing. Having been raised in a church that promoted cold-calls by knocking on doors with the four spiritual laws tract, I’ve had an aversion for years to such techniques. What you promote is much more natural and something I know God will help me with. My prayer is to recognize divine appointments as such and offer Jesus to the people He brings to me. May God protect you and Cathy with health, safety, energy and encouragement. Not many people could or would keep such a demanding schedule.”*

I was blessed to have shared the Gospel message with 41 people on-on-one in March. More seeds planted for the Holy Spirit to use!

**Is most of your Bible reading in the New Testament, because the Old Testament is confusing and difficult to understand? Would you like to understand it better and enjoy reading it? Ask your church leadership to consider bringing me in to teach the Walk thru the Bible “OTLive” Event! It’s only 3-hours long including 2 breaks, and you’ll learn 40 major people, places, and events from the 17 Old Testament history books with hand motions. It’s called, “kinetic learning” and it is loads of fun! At the end of the 3-hours, you’ll be able to recite all 40 people, places, and events in chronological order with the hand motions in less than 3 minutes. The Old Testament will come to life for you and become an essential part of your Scripture reading. Please call me directly if you’re interested.**

## **PLEASE PRAY WITH US**

- My torn shoulder tendons are continuing to heal, although it's a slow process. Continued prayers for healing, please!
- For us to find a place to help us get our new TV quality video of our M.A.D. Live Event into more people's hands so they can be equipped to share their faith in Christ. The video is being worked on right now and Lord willing will be completed soon.
- For continued good health - there's lots of sickness crud being passed around!
- Our regular monthly support is at about 62%. Please pray and consider helping us reach 100%.

Love in Christ,

*Cathy and Don*
