To whom it may concern:

We recently hosted a MAD Training Session at New Life Church and can highly recommend it to you.

The manner of presentation and personal examples shared by Don Sunshine were shared in an appealing manner with great enthusiasm and conviction. The visual aids were very effective. The presentation made one acutely aware that every detail and circumstance of our life is ordained by God and minute by minute He deliberately directs our steps to cross paths with those to whom He wants us to share His love.

If you are looking for a way to challenge and stir your congregation to reach out to others and be a witness MAD Training is a great tool.
