

*Share your faith every day as a way of life!*

### *How The Lord Used Us in January of 2017*

Hello Brothers and Sisters!

We are praising God for a great start in 2017! We completed 6 MAD Live Events, equipping another 544 people to begin sharing their faith in Christ every day as a lifestyle. God's Holy Spirit spoke to hearts and we were blessed to see another 20 people come to a saving faith in Christ at the events! How great is our God! I was blessed to present the MAD Live Event in Long Beach, CA for the first time in January, making CA the 24<sup>th</sup> state we have been privileged to minister in.

On a personal note, our son John and his wife Jill had a new baby boy born on January 3<sup>rd</sup>. His name is Jaxon Luke Sunshine. He is our 7<sup>th</sup> grandchild. We praise God for a good delivery and for the health of Mom and son! This photo was taken at 1 week old.

### **MAD LIVE EVENT SOON TO BE IN SPANISH**

This is a new door of ministry the Lord is opening up so our Spanish speaking brothers and sisters can be trained to share their faith in Christ every day. PRAISE GOD! Jaime ("Jimmy") Gonzalez and his wife have been translating the MAD Live Event website, flyer, and our one page Event Agreement. They will be working on the handout and the presentation soon. Please keep Jaime and Annabelle in your prayers as they work on the translation. Please be praying that all the pieces come together and this will happen soon!

### **FINANCES**

Last month I mentioned that we lost our largest monthly financial supporter, whom God has called to the mission field of Guatemala. We also lost 3 other regular financial supporters due to loss of work and a change in one of our supporting church's leadership. In total, our regular monthly support dropped \$800/month beginning in January. Would prayerfully consider financially supporting us on a monthly basis? ANY regular amount would be a huge blessing to us. Thank you for prayerfully considering this!
