How The Lord Used Us in May of 2017

Hello Brothers and Sisters!

As we head into Memorial Day Weekend, let's remember the sacrifices so many have made to make our freedom possible. Also, thank God for the freedom we have Spiritually because of the sacrifice of His Son, Jesus Christ. We are truly blessed!

In May we completed 5 more MAD Live Events, bringing our total number to 518 completed so far. Praise God! He is amazing! It was exciting to see 6 more people give their lives to Jesus Christ at these events. Summer is usually a slow time for us, as churches don't want to schedule events during summer's family vacation time. But we continue to work to fill the fall schedule and beyond. As I interact with other ministries, I have found that they have the same problem we do...getting a commitment from pastors to come and minister. It looks like the securing of bookings will continue to be a struggle unless the Lord opens up some doors to give us more exposure. However, God has been faithful and we are grateful for His help in this. If it's been awhile since we were at your church, why not consider bringing us back for a refresher? Most people say they got a lot more out of it the second time. Or, consider having me to come to teach a fun filled Walk thru the Bible Old Testament seminar. Let me know if you have interest in either.

We are excited about the new lettering we have on our ministry trailer! Three sides have been done. As we travel across the country, it will be a great advertisement for the ministry and how we serve Christ. When we're at local churches ministering, parking it in front of the church may also open some new doors of ministry for us as people drive by and see what we do.

We have the first batch of our custom cover Gospels of John that we had printed for our new off-road ministry by the Pocket Testament League! The photo shows the front and rear covers. Inside it says, "Jesus Christ taught that there are two roads that lead to eternity. The road that is wide and most traveled leads to eternal torment in a place called Hell. The other road is narrow and less traveled. This road leads to eternal life in an unimaginable paradise called Heaven. This book will explain how you can be on the narrow path to Heaven, but the choice is yours!" We will be setting up counter displays at

some of the large local off-road parks, and at ATV/UTV dealerships in the area. Of course, we'll have a supply on hand as we meet and talk with fellow enthusiasts on the trail and in parking areas and campgrounds.

We have 15 people going on our Ultimate Adventure trip to Utah next month. It's a nice mix of people from all over the country. People hail from SC, NY, CA, TN, PA, IN and WY....a pretty diverse group for sure!
